

Punch The Air – Live, Energetic & Sensational Party Band

Biography

'Punch The Air' are a live, energetic and totally sensational party band. They are available to hire for Weddings, Parties, Birthdays, Corporate Events & more.

Hailing from the West Midlands and having only been on the scene for a little over two years now the guys have quickly built up a fantastic reputation due to their energetic 'Rock n Roll' style live shows. There's no standing still on stage for these guys.....expect Pete Townshend style guitar windmills while pogoing around the stage as they perform 'Sing-a-long' classics that all of your guests will know from the last 60 years.

They perform songs by The Beatles, The Human League, The Rolling Stones, Kings Of Leon, Kaiser Chiefs, The Smiths, The Jam, Reef, Blink 182, Primal Scream, Take That, Van Morrison, Oasis and many more artists. Sometimes they keep faithful to the original versions of the songs, sometimes they like to add their own twist (They are real life professional musicians after all).

The full package including PA & lighting comes at a very competitive price that you'd be hard to beat.

There really is something for everyone in their sensational live stage shows, so prepare to have sore feet and a hoarse throat days after you catch them live.
